ISFHWE MEMBER PUBLICATION PROMOTION PROJECT CATALOG
SALT LAKE CITY
SEPTEMBER 2005

©2005 International Society of Family History Writers and Editors

The International Society of Family History Writers and Editors was founded as the Council of Genealogical Columnists and has grown to include all aspects of genealogical writing. We are proud to offer this showcase of publications written, edited, and published by our members.

The catalog gives details on each publication including order information. ISFHWE will not take orders for the publications, but provides this catalog to facilitate the opportunity to purchase these books.

After the Federation of Genealogical Societies (FGS) Conference in Salt Lake City, September 7-10, 2005, a copy of each book will be donated to a facility designated by the conference sponsor, in the name of ISFHWE and the ISFHWE member.

Thank you for participating in our project. Your feedback is welcome. To comment or request information, either contact member publication project coordinator Diana Crisman Smith at talkgenealogy@aol.com or ISFHWE president George Morgan at aha@ahaseminars.com.
