

# INTERNATIONAL SOCIETY OF FAMILY HISTORY WRITERS AND EDITORS

ISFHWE MEMBER PUBLICATION  
PROMOTION PROJECT CATALOG  
NGS CHARLESTON  
MAY 2011

The International Society of Family History Writers and Editors was founded as the Council of Genealogical Columnists and has grown to include all aspects of genealogical writing. We are proud to offer this showcase of publications written, edited, and published by our members.

The catalog gives details on each publication including order information. ISFHWE will not take orders for the publications, but provides this catalog to facilitate the opportunity to purchase these books.

After the National Genealogical Society (NGS) Conference in Charleston, SC, May 11-14, 2011, a copy of each book will be donated to a genealogical research facility in the name of ISFHWE and the contributing member.

Thank you for participating in our project. Your feedback is welcome. To comment or request information, either contact member publication project coordinator Diana Crisman Smith at ISFHWEBooks@cox.net or ISFHWE President James Beidler at James@Beidler.us.
