PROMOTION PROJECT CATALOG
FGS BOSTON
AUGUST/SEPTEMBER 2006

©2006 International Society of Family History Writers and Editors

The International Society of Family History Writers and Editors was founded as the Council of Genealogical Columnists and has grown to include all aspects of genealogical writing. We are proud to offer this showcase of publications written, edited, and published by our members.

The catalog gives details on each publication including order information. ISFHWE will not take orders for the publications, but provides this catalog to facilitate the opportunity to purchase these books.

During the Federation of Genealogical Societies (FGS) Conference in Boston, August/September 2006, "meet the author" sessions will be scheduled at the ISFHWE Booth (#315) with those authors present during the conference.

After the Conference, a copy of each book will be donated by ISFHWE and the ISFHWE member author to the repository selected by the conference local sponsor.

Thank you for participating in our project. Your feedback is welcome. To comment or request information, either contact member publication project coordinator Diana Crisman Smith at talkgenealogy@aol.com.
