ISFHWE MEMBER: James M. Beidler
TITLE: **Legacy QuickGuide™ German Genealogy**

AUTHOR: James M. Beidler
PUBLISHER/PLACE: Legacy Family Tree
PUBLICATION DATE: 2014
ISBN:

DESCRIPTION: More Americans have German-speaking ancestry than any other ethnicity. While German research has challenges involving historical disunity and shifting boundaries – as well as older records handwritten in a chicken-scratchy version of cursive – the flip side is that many documents have survived wars and social disorder. As a group, Germans have a reputation for “Teutonic thoroughness” in producing and retaining many types of documents that other ethnics lack. The German Genealogy Legacy QuickGuide™ contains useful information including a timeline of important events, terminology, migration patterns, record types and how to access those records. This handy 6-page PDF guide can be used on your computer or mobile device for anytime access

PRICE: \$2.95 for .pdf download
