

INTERNATIONAL SOCIETY OF FAMILY HISTORY WRITERS AND EDITORS

ISFHWE MEMBER PUBLICATION PROMOTION PROJECT CATALOG NGS FORT LAUDERDALE, FLORIDA MAY 2016

We are proud to offer this opportunity for our members to showcase their works. This catalog is provided to facilitate the purchase of these books, giving details on the publication including order information.

After the National Genealogical Society Conference, Fort Lauderdale, FL, May 3-7, 2016, a copy of the book was donated to the West Palm Beach Genealogical Society Library in the name of ISFHWE and the contributing member.

Thank you for participating in our project. Your feedback is welcome. To comment or request information, please contact Member Publication Project Coordinator Diana Crisman Smith at ISFHWEBooks@isfhwe.org.

ISFHWE MEMBER: Ron Arons
TITLE: **Mind Maps for Genealogy**
AUTHOR: Ron Arons
PUBLISHER/PLACE: Criminal Research Press/Oakland, CA
PUBLICATION DATE: 2014
ISBN: 978-0-9915806-0-6

DESCRIPTION: ***Mind Maps for Genealogy*** discusses how to use mind maps (radial outlining tools) for research planning, logging research, performing amazing data correlations and analyses, and creating final reports. Mind maps are used by corporations for brainstorming, by attorneys, in education, and by writers to create their stories. They excel at laying out your ideas and data to improve your creative thinking skills. They work exceedingly well with *unstructured* data (which various different types of genealogical documents provide). Mind maps allow you to consolidate and visualize your genealogical data in a more crystallized, understandable way. They help break down brick walls!
