

# INTERNATIONAL SOCIETY OF FAMILY HISTORY WRITERS AND EDITORS

## ISFHWE MEMBER PUBLICATION PROMOTION PROJECT CATALOG NGS KANSAS CITY MAY 2008

The International Society of Family History Writers and Editors was founded as the Council of Genealogical Columnists and has grown to include all aspects of genealogical writing. We are proud to offer this showcase of publications written, edited, and published by our members.

The catalog gives details on each publication including order information. ISFHWE will not take orders for the publications, but provides this catalog to facilitate the opportunity to purchase these books.

After the Conference, a copy of each book will be donated by ISFHWE and the ISFHWE member author to a local genealogical repository.

Thank you for participating in our project. Your feedback is welcome. To comment or request information, contact member publication project coordinator Gary M. Smith at [ISFHWEBOOKS@cox.net](mailto:ISFHWEBOOKS@cox.net).
